**A MESSAGE FROM THE CEO**

As we wrap up the last quarter of 2023, I want to take a moment to thank you for your membership and trust in your credit union. I am truly proud of our team as we have navigated many changes in the last year including a system upgrade and a Visa card conversion. Although both were not seamless, the end result is positive and allows us to provide additional services. We now offer account to account transfers, direct deposit early posting, and have an upgraded mobile app with more options than ever before, including Apple Pay, Google Pay and Samsung Pay, to name a few. While these are great accomplishments, we will continue to look for ways to enhance our product offerings and to provide you with the best possible products and services.

We recently completed our NCUA examination with excellent results. I am happy to report that the credit union remains financially strong, healthy and safe and sound. Our members can rest assured that we will continue to fulfill our mission statement: The purpose of FAA FCU is to maintain a sound, full-service financial institution, managed with care and vision, for maximum member success.

Thank you again for your continued trust and support. It is our privilege to serve you. Our team is here to assist you and help you meet your financial goals.

Sincerely,

Angie Vajdak, CEO
FAA Federal Credit Union
