STANDING TOGETHER IN PINK:
A Show of Support for Breast Cancer Awareness

October is Breast Cancer Awareness Month, and our employees are proudly showing their support by wearing pink throughout the month. This simple act represents our commitment to raising awareness and standing alongside those whose lives have been touched by breast cancer.

To help extend that support beyond our team, we have a limited supply of pink shirts available for purchase at each branch for just \$20 each. Supplies are small and will be sold on a first-come, first-served basis—so be sure to stop by and pick yours up while they last.

Together, we can make a difference. Wear pink, show your support, and join us in spreading awareness this October.
